## **WELCOME FROM THE CHAIR**

Welcome to the Autumn Edition of the Chronicle. The dry warm weather seems a distant memory with the deluge from Storm Babet. The nights are drawing in which make ideal conditions for Llanfair Festival IV. It is such a joy to listen to talented live musicians in busy pubs.

We recently had a meeting of the Llanfair forum. It is open to all clubs and businesses in the locality. The idea is to share ideas and encouragement to keep the Llanfair community vibrant. One of the services that was highlighted during the evening was the availability of computer assistance for anyone who may need it.

There are many who have no desire to join the online world but would occasionally like to look something up or fill in a form. We are so lucky to have this facility.

I would like to thank Councilor Sarah Astley for her time and enthusiasm. She has stepped down from the council to concentrate on her university studies in Cardiff and we wish her well.

Cllr Ian Davies

## **Election for vacant seat on the Town Council**

So that Sarah Astley can concentrate on her university second year she has stepped down from her seat on the town council. The council wishes to thank Sarah for her sterling work over her year with notable achievements including work with youth and the Chronicle.

The council has advertised to see if anyone in the town wishes to call a formal election and no requests were received.

The council has therefore decided to go through the co-option route to appoint a new councillor.

Anyone interested in being considered for co-option should contact the Town Clerk for details by either:  
Writing to Crown House High Street Llanfair SY21 0QY  
Telephone 07767 267830

Email [Llanfairtownclerk@mail.com](mailto:Llanfairtownclerk@mail.com)

A formal notice has been posted on the notice board outside the Institute and on the council website at [www.llanfairtowncouncil.co.uk](http://www.llanfairtowncouncil.co.uk)

The closing date for expressions of interest is  
**Friday 24th November 2023.**

For further information please contact the Town Clerk.

## **BUSES IN LLANFAIR**

You may have noticed bus stops have appears around the town. A timetable is on each bus stop with buses to:

### **Welshpool**

9.30am and 2pm at the Lychgate bus stop.

### **Newtown**

9am at the Watergate street car park bus stop.

### **Tuesdays & Thursdays**

### **Oswestry**

9am at the Watergate Street car park bus stop

Wednesdays & Fridays.

### ***No buses on Sundays or bank holidays***

We need to use our buses or we may lose them in the future.

## **TOILETS IN LLANFAIR FOR FACE LIFT**

The Llanfair public toilets next to the Institute are to be refurbished over the coming few months.

There will be new facilities introduced including baby changing, water refill point and uprated disabled toilet. The colour scheme will be dementia friendly.

## **REPORT FROM GARETH JONES COUNTY COUNCILLOR FOR LLANFAIR CAEREINION AND LLANERFYL**

### **LEISURE REVIEW**

Many thanks to everyone who completed the Leisure Review survey, it was the largest response Powys have ever had proving the importance of our Centres to our communities. Work is now under way to determine a strong leisure service throughout Powys.

### **NEW HEALTH CENTRE**

Unfortunately, there has been no progress on the proposed new Health Centre since my last report. I recently had a meeting with Craig Williams MP, Russell George and a representative from Caereinion Medical Centre. We are urging the developers to move at pace with the much-needed development.

### **MOUNT ROAD**

Welshpool depot have given me assurance that Mount Road will be resurfaced late October. Residents will be notified when the works are due to commence.

## **APPOINTMENT OF CHIEF EXECUTIVE**

A meeting of the full council was held on 3 October to appoint a new Chief Executive. The successful candidate was Mrs Emma Palmer. Emma has worked in Powys County Council since 1999 and has a very broad knowledge of all the service sectors within the authority.

## **YSGOL BRO CAEREINION**

As many of you are aware Powys have announced their intention to move Ysgol Bro Caereinion into an all-Welsh School. Their proposal is to start with reception and year 7 in 2025.

Whilst this will be welcomed by many within the community, several have contacted me raising their concerns.

The transition period, the current proposal does not take into consideration learners currently in the primary phases both in Caereinion and feeder schools, a longer transition period in the secondary phase is essential.

The transport policy is also causing concern, currently the policy does not allow free transport to an English school of your choice, this is unacceptable.

I will do everything I can to represent your views, can I urge you ALL to raise your concerns via the link below. The consultation period starts on the 19<sup>th</sup> of October and runs for 6 weeks concluding on 30<sup>th</sup> of November.

If anyone wishes to contact me, please ring, or email.

<https://en.powys.gov.uk/article/14816/Ysgol-Bro-Caereinion>

Additional information is available by contacting the Transforming Education Team by phoning 01686 611553 or emailing [transforming.education@powys.gov.uk](mailto:transforming.education@powys.gov.uk)

**Consultation closes on the 30<sup>th</sup> of November.**

## **PYLONS**

Yet again we are being asked in our communities to accept pylons going straight through the heart of Llanerfyl and Llanfair Caereinion, they appear to be proposing going underground from Llangyniew to Llansantffraid! why can it not be all underground? if they can do it on part of the proposed Vrynwy to Hampton line they can do it on all.

What also concerns me is the proposed 132 line is nowhere near big enough to cope with the proposed wind farms in our area, is this the first of many?

The consultation closed on the 18<sup>th</sup> of October Green Gen commented.

From the conversations we've had at the events, alongside the feedback we've received, it is clear that people want us to carefully consider the visual impacts of the pylons and the potential effects on communities.

We will continue to work with local people and organisations to try and reduce impacts as much as possible.

We will be holding a second, statutory consultation in 2024.

While our consultation has now closed, our enquiry lines remain open so please get in touch with the us if you have any questions.

We are also keen to hear from local groups and organisations on where they would like to see the community benefit fund invested and encourage you to get in touch with suggestions.

Our team can be contacted on [info@greengenvrynwyfrankton.com](mailto:info@greengenvrynwyfrankton.com) or by phoning 0800 915 3590.

## **NATIONAL PARK FOR NORTH EAST WALES**

In its Programme for Government (2021-2026), Welsh Government sets out its intention to designate a new National Park in North East Wales based on the existing Clwydian Range and Dee Valley Area of Outstanding Natural Beauty (AONB). This would be a fourth National Park for Wales, and the first new such park to be established in Wales since 1957!

As a result, Welsh Government has commissioned Natural Resources Wales (NRW) to evaluate the case for the designation. We (NRW) are the Welsh Government's statutory adviser on landscape and natural beauty and the designating authority for any new National Parks and Areas of Outstanding Natural Beauty (AONBs).

The most southerly area of the new national park includes land within the Llanfair Town Council ward.

## Air Ambulance and Welshpool

### **Have your Final Say to Save the Wales Air Ambulance base at Welshpool by Russell George MS and Craig Williams MP**

Earlier this month (October), the final phase of a consultation considering potential changes to Wales Air Ambulance base locations opened. The engagement and consultation process are being led by Stephen HARRY, the Chief Ambulance Service Commissioner for Wales who will make a recommendation to the Emergency Ambulance Services Committee that will then make a final decision, which will include the future of the Mid Wales's Air Ambulance base at Welshpool.

This is the final opportunity to give your views before the decision is made in December. **We believe the Welshpool base should remain open for the long-term.**

From the start of this process, our main concern has been that closing Welshpool and Caernarfon's bases would lead to a poorer service for Mid Wales.

This has now been demonstrated by modelling data from Optima, a company commissioned as part of the process to examine the potential impacts of any change. Their work has clearly found that merging bases into one North East Wales site would lead to slower overall response times in Mid Wales.

This article is about the serious concerns we still have and why we believe strongly that Welshpool's base should remain open to avoid a downgrade in services in Mid Wales.

- The modelling shows that the benefit of closing Welshpool & Caernarfon's bases and opening one new site in North West Wales would lead to **just three additional missions per year**. This is very clearly within a margin of error. Following the plans that were originally leaked, we were informed an extra 583 missions per year across the whole of Wales would be achieved - a claim that has now been discredited. The company that provided the modelling have stated that they consider retaining both bases (Welshpool & Caernarfon) as a good option.
- At the start of this final consultation phase, it was stated that any impact from changes would be "tiny". If this is the case, we would question the need for existing bases to close which would lead to continued local concern.
- If only one base is operated from to cover the Mid and North Wales area, poor weather could mean both air ambulances located at this one base are grounded.  
Currently, separate bases give added protection if one base is hit by poor weather or other events.
- It has previously been stated that the need for change is about patient outcomes, not economics. During the final consultation, it now appears that economics is a factor in the final recommendation. We

have concerns that closing Welshpool and Caernarfon's bases will also impact the charity's ability to fundraise.

The questionnaire completed in the initial consultation may not have captured all relevant views. For example, it asked people to think if all of Wales should have an equal service which is clearly is likely to be answered positively. This may be used to make the case for the reconfiguration on bases. An equal service across Wales does not mean the same service delivered in every place. Many rural areas like ours do not have a local district general hospital, or reasonable access to A&E facilities, which strengthens the case for a locally based Air Ambulance services.

It is clear that closing Welshpool and Caernarfon's bases and to open a new base in North Wales at Rhuddlan is still a very serious threat. **It is now critically important that we have one last big push to feed our views into the final consultation.**

We attended public meetings in Welshpool and Newtown on October 12th and 13th respectively, and many thanks to those who attended these meetings as well as the public meeting in Machynlleth.

**The final consultation concludes on November 12th.** You can provide your views by:

## Pied Flycatcher Bird Box Scheme

### Pied Flycatcher Bird Box Scheme

#### Free bird boxes

Deri Woods Trust is planning to give its local birdlife a helping hand next spring. It is offering 30 free bird boxes to attract Pied Flycatchers to raise their young inside.

Pied Flycatchers are a declining species in the UK but Wales, and particularly Montgomeryshire, is a stronghold. Llanfair Caereinion Town Council (LCTC), on behalf of the Trust, is looking for owners and managers of land in the LCTC area to put between 1 and 5 boxes in places that are likely to attract this iconic species.

For more information or to apply for free bird boxes please email: [powysforesthorses@yahoo.co.uk](mailto:powysforesthorses@yahoo.co.uk)  
Birds on the Brink and Deri Woods Trust have funded the boxes.

# St Mary's church

Many of you know that Rev. Jane retired in September and the process of finding a replacement has begun but that doesn't mean that nothing is happening at church. We have a team of worship leaders which means we continue with our Sunday services and have also reintroduced the mid-week communion once a month, following requests to do so. Our regular services are now as follows:

**1<sup>st</sup> & 3<sup>rd</sup> Sunday of the month – Holy Communion at 11am.**

**2<sup>nd</sup> & 4<sup>th</sup> Sunday of the month – Morning Prayer at 11am.**

**1<sup>st</sup> Wednesday of the month – Holy Communion at 9.3am.**

**5<sup>th</sup> Sunday of the month – Joint Mission Area service, details on our noticeboard.**

## ALL ARE WELCOME

We also have a drop in **Coffee Morning every Wednesday** morning from 10am till 12 noon, providing an opportunity to catch up with friends, eat cake and work on the odd jigsaw puzzle. We are doing this on a Wednesday morning to provide another place for the community to meet socially, like that provided by the Community Café in the Institute. We would love to see you there as all are welcome.

The noticeboard at the lych gate provides details of who to contact if you wish to arrange a baptism or a wedding. As well as details of any current events.

We are currently busy planning for Christmas and the New Year. We are holding a **Christmas Coffee Morning** on Saturday December 2<sup>nd</sup> from 10 till 12 noon. There will be Christmas crafts stall, bring and buy and Christmas themed children's activities, as

well as homemade cake. All proceeds will go to church funds. We hope to see you there.

**Christmas Services will be as follows:**

Sunday 24/12/23 – Christmas Eve

11am – Holy Communion

4pm – Children’s Service

11.30 pm – Midnight Mass

**REMEMBRANCE SUNDAY**

**British Legion Coffee Morning – Saturday 4<sup>th</sup> November**  
10am in the Institute

**Remembrance Sunday 12<sup>th</sup> November**

10am St Mary’s Church

10.50am Wreaths by the War Memorial

All welcome

## **An evening of local entertainment at The Institute, Llanfair Caereinion**

West Ends singers join local musicians from Llanfair Caereinion for an evening of entertainment at the Institute on Saturday January 20, 2024.

The evening will include musical and instrumental performances from Teulu Moeldrehaearn, West End artists Rosie Jones and David Pendlebury, Beth Peate, Cefin Pryce, Ceri Pryce, Mali Ellis, Huw Davies and Seren Walton.

Tickets are £15 for adults and include nibbles and a complementary glass of Pimms on arrival. Primary aged children are free and secondary children are £5. The evening starts at 7.30pm. Tickets available from Ruth Bates contact 07786 361 346 or Sioned Lewis 07581 676 655.

“It promises to be a great night of ‘hwyl’ featuring some magical performances from local musicians and we’re also lucky to be joined by singers from the West End too,” said Ruth Bates one of the event organisers.

The bilingual event is raising funds for the 2024 Urdd Eisteddfod appeal target for Llanfair Caereinion.

## **Caffi Cymunedol Llanfair Caereinion Community café opening times.**

Caffi Cymunedol Llanfair Caereinion Community Cafe now sits under the governance of The Institute following a successful pilot supported by Llanfair Town Council.

“Over the summer café leaders and Trustees of the Institute developed a Memorandum of Understanding between the Institute and Caffi Cymunedol Llanfair Caereinion Community Café to safeguard the running of the café for a year. Volunteers of the café also painted and decorated the Youth Room to benefit all users of the Institute,” said Ruth Bates, one of the café leaders.

Phil Langford, Chair of the Institute Management Committee said; “We are pleased to support the café as it helps increase footfall into the Institute. We have ensured the café is opened on the days of the library, in the hope that people will use both facilities.”

The café opening times are Thursday 10.30 until 12.30 and Friday 12.30 until 4.30pm and is open weekly. It is run by 27 volunteers drawn from the local community and together they are committed to providing a warm welcome to everyone.

## **This is Llanfair Yfc Club news from the past 3 months.**

At the start of August we held a Sunday luncheon by the Evans family at Tyn Fawnog Llanfair Caereinion. The money was split between Montgomeryshire Lingen Davies and Llanfair Young Farmers. We had a great turnout of 140 people. We had a great auction with lots of prizes donated by local companies. We raised £2094.53 for Lingen Davies and Llanfair Young Farmers.

At the end of August we held another Sunday luncheon by kind permission of Mr & Mrs Mel Jones and the new Mr & Mrs TT. The money was split between Dyffryn Tanet Young Farmers , Llanfair Young Farmers and Dementia UK. We had around 200 people there, so it was a great turnout. With fantastic fancy dress. We raised £1,000 per charity.

In September we held our new members evening. We had a great night with everyone and it was nice to see new faces. We had 8 new members. It was great to see members getting involved in the activities. Then we've been busy getting ready for the field day which was held in Maesllymstyn, Foel, held by the Jones Family. Although it was a miserable day we still had fun competing in competitions. Iestyn Evans, Oliver Smith & Reece Jones did the junior Fencing and came first and Tammy Smith took part in the Christmas card making and came 2nd.

At the start of October we had our Lamb Club evening. So every year we get a pair of 2 matching lambs with similar weights and compete with the other club members to see who has the best pair. Wyn Williams came and judged them live. We had a great turnout of 9 pairs of lambs. Alun TT came 1st, Johnny Andrews came 2nd and Iestyn Evans came 3rd.

So the next day we took them to Pilgrims in Llanidloes to see the carcasses. Things all changed as James Coleman judged them

and we had different results to the night before. Iestyn Evans came 1st, Rob Andrews came 2nd and Johnny Andrews came 3rd. We had a very interesting talk by James as he was telling us why each lamb placed what they did.

At the moment we were busy practicing for the upcoming Eisteddfod which is being held in Llanfair Caereinion Leisure Centre on Saturday the 28th.

## **New Life Church Llanfair**

At the end of August, a group of our young people headed to Middle Park Camp in Powis Castle for a memorable few days! There were 28 members of JAM (Years 6 - 11) who camped over for two nights and 11 of the younger members of Junior JAM (Years 3, 4 and 5) joined for activities on the middle day. A team of willing volunteers from New Life Church joined the youngsters.

It was an action packed 3 days and all were keen to join in the outdoor activities, with the chance to do kayaking, archery, the climbing wall, problem solving and paintballing. One of the highlights was the waterslide into the lake and the Blob – some hilarious launches and landings, and very wet children!! Surprisingly none of the adults joined in the Blob activity!!

In the evenings they enjoyed a disco, a BBQ, a campfire with smores and songs, and Huw and Kirsty led a couple of informal evening meetings and discussions.

Camping overnight at the end of August was very chilly and a few parents were called on to bring extra blankets and quilts for the second night!!

Thanks to the staff and volunteers at Middle Park a great time was had by all.

We also very much appreciated the generous grant of £1000 from The Mick Bates Community Memorial Fund, the grant enabled us to subsidise the costs for the young people and their families.

We're already looking forward to next year!

### **USING THE MAIN LINE RAIL SERVICE**

**North & Mid Wales Association of Local Councils**

**Press release on rail transport in North and Mid Wales**

I am sure you will all have stories to tell about your journeys over the past few years along the North Coast, Chester to Shrewsbury and Cambrian lines (Aberystwyth via Shrewsbury to Birmingham). Well new trains are due to be in service all over Wales soon, indeed some have already arrived

The Association has a dedicated committee to get involved with the main line and has completed an extensive survey into train use, safety, customer satisfaction and many other matters.

A report seeking better rail services has been completed and has been presented to Welsh Government and TFW. To see the report on the Cambrian and North Wales Coast lines please following the link here: <https://northwalesassociation.org.uk> and look under documents.

The report is now available and has been submitted to Welsh Government, Transport for Wales, and the Health & Safety Executive. The reason for the surveys were a deep concern regarding overcrowding, particularly on long journeys. The new trains have less seats than the current ones in use and are of 'commuter train' design. In the view of the Association these trains are not for long distance journeys.

During the survey there were several experiences observed:

- i) A family with young children having sit on their cases in the toilet as there was no other space available.
- ii) A mother sitting on the floor with a young baby due to lack of space.
- iii) More people on the train then seats available with passengers standing for periods of more than an hour.
- iv) Trains running late on a regular basis causing stress to those needing connections.

In the view of the Association the new trains do not meet what is needed. The Association are of the view that overcrowding on a good number of trains is so bad it is unsafe, bordering on dangerous.

There are three reasons for this statement:

- i) People who have disabilities cannot get to the toilets.
- ii) People who go ill will have no space to recover.
- iii) The guard cannot get to any person who is distressed or unwell needing help.
- iv) If the train pulls up sharply or hits something the injury level would be unacceptable.

The full report can be found on the website home page (scroll down): [www.northwalesassociation.org.uk](http://www.northwalesassociation.org.uk)

## Memorial Fingerprint Pendants

We believe that everyone should have a way to carry a little piece of someone they love with them, even when they have passed away.

We specialise in creating beautiful, bespoke silver pendants in memory of loved ones.

We hope that our jewellery brings some comfort and peace to our clients.

We are happy to answer any questions

## BACH FLOWERS

You may have heard of Dr Bach's "Rescue Remedy", but did you know that Dr Bach developed a system of 38 flower essences that have helped many people find emotional balance and enjoyment in life, especially in today's busy world?

If you would like to know more about how Dr Bach's flower essences might be able to help you, then please do call us for a no obligation explanation of Dr Bach's system. We are both Registered Bach Flower Practitioners, live locally and hold confidential consultations.
