PRESS RELEASE

Moving forward with great plans

Two important decisions were made by the Town Council at its meeting held on 8th November.

The Town Plan and Action Plan for 2021 to 2027 were adopted and work will start on the projects immediately. (copy attached)

A Defibrillator Plan was approved with installations to take place asap at Mount Field and Telephone Box in the High Street to go alongside the one already installed in the telephone box in Cefn Coch Road. In addition the Black Lion has raised money for a defibrillator to be located there close the Market Square. Also there is one at the Leisure Centre and the Doctors Practise. There will be other locations added as funding and resources allow.
