

LLANFAIR CAEREINION TOWN COUNCIL

YOUTH COUNCIL

MINUTES

Of a meeting held on Tuesday 15th February 2022

Present were 3 members of the Youth Council and the Town Clerk

Apologies were received from the other members due to school work

1. Results of survey

The Youth Council members outlined the survey results from the whole school which were:

- a) A Youth Club a top priority.
- b) A place where they can 'hang out'.
- c) Improved transport (buses).
- d) Possibly a BMX bike track in due course.

2. Youth Plan

Now that the survey is completed a Youth Plan can be prepared for the Council to consider. The members asked the Town Clerk to do a draft for the members to see and approve. Following completion of this it can be presented to the Full Council – possibly by the Members themselves.

3. Playground

The Town Clerk outlined the new playground coming for the younger members of the school at Glanyafron in May 2022.

4. Deri Woods and a trim trail

The idea of a Trim Trail in Deri Woods was considered and it was thought it was a good idea.

5. Next meeting

The next meeting will be scheduled for April 2022 and it is hoped some younger members could join the Youth Council.
